

Broomall, PA -- Bringing constituent services straight to the community, Congressman Joe Sestak (D-PA) today held a Congress on Your Corner event at ACME – 567 Sprout Road, Broomall. The program is designed to take his office out into the communities he serves in order to hear from constituents so that he may better represent the families of the seventh district. — Congressman Sestak believes accountability and accessibility to the families of our district are very important to being an effective Representative, and he is committed to both. Instead of asking folks to come to his office, the Congressman wants to also go to them and make it convenient for them to see their Member of Congress. That is why he started the Congress on Your Corner events.

“This is our fourth Congress on Your Corner event and it is the best opportunity for me to meet with and address the concerns of my constituents,” said Rep. Sestak. “As Congressman, I want to provide the best possible service for my constituents. Through our Congress on Your Corner events, I am able to hear directly the opinions of my constituents and help them secure access to healthcare, a quality education, veterans’ benefits, or assistance for small businesses and economic development.”

At the Congress on Your Corner events, Rep. Sestak and his staff are available to discuss issues that are on the voters minds, listen to their opinions and even open case files to help them with any problems they may be having with a federal agency. In addition, Congressman Sestak provides materials from the federal government, including forms, brochures, and informational packets on Social Security, Medicare, Veterans benefits, and federal financial aid programs.
